to takes place every Wednesday and Saturday based on the national lottery bo If your number is drawn out as the bonus number in either of the draws you win £25. This is open to all family members and friends. Last year we paid out £125 to one lucky winner as we had a run of rollovers!!!!

We now have a lottery account for standing order's to be set up for easy payments of £8 every 4 weeks (not monthly), please set your first payment as soon as you can, this then enters you into 8 draws giving you 8 chances of winning £25. This will make collecting money much easier. As soon as we receive your reply slip with your chosen number and method of payment you will be entered into the next draw.

You will need the following information to set up your standing order - Sort code – 20 24 09. Account number – 10107042. Name of account – FOWS. Bank – Barclays. This is a great opportunity to help raise funds for school and at the same time giving you the chance of winning £25 twice every week (including all school holidays). As a benefit to school this fun initiative has the potential to raise £3550 a year to purchase extra learning materials to support our children's education
