Well done!

A huge thank you and well-done to 3 of our pupils; Darah, Peggy & Tori, who shared their superb spring term learning log work with the Parish Council last week at their AGM.

They were super ambassadors for our school and presented their projects beautifully. They were also able to answer the questions asked of them by the councillors.

We hope you are all enjoying your summer term learning log BIG question:

If you could go anywhere in the world, where would you go and why?

Please can learning logs for summer term be brought in to school by Monday 17th July.

Year 6 SATs

Well done to our fabulous Year 6 pupils who have done their SATs this week. They have been working incredibly hard all year and were determined to be the best they could be.

We would also like to congratulate them all for displaying such wonderful characteristics which can't be measured through tests, such as; kindness, determination, resilience, enthusiasm, ambition and respect.
