Budget: £5860

Item/ Project	Date	Cost	Desired Objective	Impact <i>(Full impact cannot be shared online due to low numbers children entitled to Pupil Premium)</i>
Cooperative Learning Training (all staff)	Summer 2	£2,000	Training to enhance lessons and support delivering new National Curriculum	Training was delivered by the deputy headteacher and SENDCo to promote cooperative learning training. Children have benefitted from enhanced lessons which is evidenced through Pupil Voice. This means that the overspend is £398.
School Family Liaison Officers	Ongoing	£1000	Targeted family work to support families in overcoming barriers to attendance and barriers to the children's learning. Daily support for children presenting significant behavioural difficulties.	SFLOs have been able to support families and feedback was exceptionally positive.
Additional 1:1 sessions	Ongoing	£1000	Additional support for phonics, reading and writing.	Children entitled to PP have made good progress with phonics and application to writing. Teachers report high levels of confidence following training. Monitoring reflects this in practice.
Primary Writing Project	From Autumn 1	£3,125	Ensure that children receive high quality English lessons which engage speaking and listening as a starting point.	PWP has impacted across the curriculum, not just English. Improvements in engagement can be seen in lessons. Reading and writing outcomes have improved. (Data cannot be shared online due to data protection)
Piano lessons	From Autumn 2	£624	Develop an interest in music which is recognised by the family as having a positive impact on the child's wellbeing	High engagement and continued desire to pursue this.
Subsidising Trips	Ongoing	£500	Ensure that all children have full access to the wide range of visits and residential trips	Parental feedback positive. Children accessed learning outdoors and rich experiences.
