

THE ACORNS PRIMARY and NURSERY and WHITLEY VILLAGE FEDERATED SCHOOL

Looked After Children Policy

November 2017

Morals & Values Framework

The Federation strives to ensure that the culture and ethos of both schools is one in which, whatever the heritage and origins of members of the school community, everyone is equally valued and treats one another with respect.

The Headteacher & 2 Family Liaison Officers (who are based at The Acorns) liaise on a regular basis with our partners in Social Care & other Agencies and makes every effort to attend all Child in Care meetings. Good relationships with the children's carers are also given high priority.

Background

The 1989 Children Act introduced the concept of Corporate Parenting – central to supporting and improving the education of children in public care.

“Corporate Parenting emphasises the collective responsibility of local authorities to achieve good parenting – the whole authority includes the Education Department as well as Social Services and schools also have a key role to play”.

At The Acorns Primary and Nursery and Whitley Village Federated School, we recognise our responsibilities towards those members of the school community who fall within the category of 'Looked After Children' (LAC).

This policy sets out the procedures we have, when required, in place to safeguard the educational interests of those children and to achieve the positive outcomes of Every Child Matters.

The school will ensure that all children have a Personal Education Plan (PEP) within 20 days of entering care or joining the school, these are updated on a termly basis.

The designated teacher with responsibility for LAC is Hannah Mansfield (Executive Headteacher).

The designated governor with responsibility for LAC is Martin Nield, who is also the Safeguarding Governor.
