EASY FUNDRAISING

Today you will have received an email explaining about Easy Fundraising and how you can join, in order to support FoWS and therefore our school. Every time you shop online via Easyfundraising at one of thousands of leading retailers, a donation will be made to Friends of Whitley Village School (FoWS), and it won't cost you an extra penny! This includes clothing, groceries, heating oil / utilities, holidays, rail travel, entertainment, business supplies and much more. It's really simple to get started, costs you nothing and there is no need to change your existing shopping habits. The prices that you will pay will be exactly the same as the retailer pays the donation, not you. So please take time to read the email attachment and sign up for this great scheme to help your children. Thank you.

All you need to do is...

Join and raise free donations every time you shop online and help us hit our fundraising target with easyfundraising!

ADEVNTURE PLAYGROUND

As most of you will now have seen, the adventure playground had its revamp over the Christmas holidays and looks amazing! A HUGE thanks to John and Karen Hood for completing this work and also to FoWS for their contribution towards the costs.

Spring Term's BIG Question... Can you tell Whitley a story?

We can't wait to see what lengths you are able to go to and who you get to speak to in order to share a fantastic story with. Due date for sharing your wonders is Monday 26th March.
