Wk beginning Monday 9th – Y6 Transition Wk WHS
Friday 20th – Pupils finish for summer

Please note that these dates can change due to unforeseen circumstances.

Maths

Our next workshop is a Maths Workshop on Tuesday 8th May. We are looking forward to sharing some ideas to help your children. If you would like to attend, but haven't sent in the reply slip, please let us know.

For our children who are ready to learn their tables, may I recommend a great website called Times Tables Rock Stars. This a fabulous site which enables children to practice their tables. There is a small cost (Family Plan = £6 for access for 2 adults and 3 children) but it is well worth it!

Sunshine!

Remember to send in water bottles and hats on the warmer days.
Apply sunscreen in the morning if needed.

Dinner Orders & ParentPay

Please order dinners via ParentPay to enable us to order and prepare enough food and to reduce waste. Today, the number for a school dinner was double the orders placed online. Thankfully Sharon was able to cater for all the children on this occasion. If you have any problems using Parent Pay, please don't hesitate to call us.

Potholes

This month Whitley Parish Council discussed the need to ensure that potholes are fixed in a timely manner. To help, please report any potholes you find on the Cheshire West and Chester website or on www.fillthathole.org.uk

Our 'Big Question' this term is 'How can I make a difference?' Would we welcome friends, family and community members to our school to share with the children the different ways they make a difference to society. Please get in touch if you feel you might be able to help.

Family photos for our We are Whitley Story Tree!
Send in your snaps to us – we want all our families to be included.
