Thank you to everyone who came to our parent workshop on Relationship and Sex Education. It was great to listen to your thoughts and share our teaching methodology and resources.

Please let us know what you would like to learn more about so we can plan future workshops.

We are part of Operation Encompass. This a system which reports to schools when a child or young person has been involved or exposed to an incident the previous evening.

The information is given in strict confidence to the Headteacher to enable support to be given dependent on the needs and wishes of the child.
