### Every little helps...

We really do appreciate your generosity when it comes to special events and FOWS fundraising activities. We are hoping to spend donations from parents and through FOWS to buy new computing equipment and a range of books for our youngest children.

The easiest way for us to raise funds is the 'Easy Fundraising'. Easyfundraising is an entirely free service that allows people to shop directly at their favourite online store via the links on the [easyfundraising.org.uk](http://easyfundraising.org.uk) website and raise a donation for their school cause once a purchase is made.

1. Join

It's easy to get started, search for your cause and join in

2. Shop

From travel to toasters, when you shop, do it the easyfundraising way

3. Collect

Help out when you check out - it doesn't cost you a penny extra

Simply search for us, join us and start giving...

### Writers

We would like our children to become penfriends with senior citizens within our wider community. We would love for some of our children to write to older community members and for them to write back. Do you have a connection with a group or a residential home? Please get in touch if you feel this is something you could help us with.
