Sports Day

What a fantastic afternoon! It was great to see all the children getting stuck in to different sports events and cheering each other on. We felt that the afternoon had a really positive vibe, and thank you for all your cheering and support.

Mrs Downey is already planning more events for next year as the children did so well. We really do also need that teachers and parent race!

Rose Queen

What a day! Well done to all our performers and staff who created a spectacular show. We are very proud of you all, and a special thank you to Mrs McCartney for all her input. Many thanks to our hard working FoWS who raised £100 as well as a number of quality books which were donated from families. Finally, thank you to the Rose Queen Committee; we love being a part of this fantastic community event.

It was great to see so many families at the event enjoying the day. See you there next year!

Well done school councillors and Miss Bostock for their fabulous fundraising with the World Cup Cake sale. This was an incredible success raising £64.16. Many thanks also to Mrs Bostock (Miss Bostock's mum) who baked for us and often helps out. For more information on dementia visit <https://www.alzheimers.org.uk/>
