ROSE QUEEN

This week you will have received your letter regarding the Rose Queen. If you are struggling to provide the costume items required, please do just let the class teachers know and we will sort them in school, no problem.

Any pupils who are not able to attend the Fete, please also let the teachers know as soon as possible, as this will make a difference to the dances and songs that are being performed. Thank you.

MR DAVID

We are thrilled that Mr David will be joining us for a week straight after half term to spend some more time getting to know the children and planning with the staff for next academic year.

WELL DONE YEAR 6!

We want to say a massive 'well done' to our Year 6s, who worked so hard this week completing their SATs tests, along with all other Year 6s nationally. They did themselves and us proud with their positive attitudes, calm manner and determination. You most certainly were being the best that you can be!

DISABLED ACCESS

Due to the width of the lane outside of school, we are not permitted to have a disabled parking space. However, we have always had an agreement that the space between the end of the zig-zag lines and the entrance to the car park, be left clear for a car which requires disabled access. Please be aware that this access is needed daily.
Thank you for your co-operation.
