**Sports Day -
NOW THURSDAY 20th
(keep everything crossed!)**

Due to the bad weather, Sports Day has been rescheduled for this Thursday, 20th. We hope to see you all there for a 1pm start.

Thank you

Thank you so much to all of our families for braving the awful weather last Saturday and bringing your children to the Rose Queen Fete. Despite the last minute changes and the lack of space, I am sure you will agree that the children performed brilliantly and did us all proud.

Thank you to all families who contributed to the FoWS stall and to FoWS for raising yet more great cash for the school.

Some of this money is being put to good use today as FoWS have very kindly paid for our visiting artist, Sarah Hayes, who has been working with the children on some wonderful willow weaving sculptures today.

Parent's Evenings

Parent's Evening letters went out this week for Years 1 to 5. They will take place on Thursday 4th July. Due to larger pupil numbers, Mrs Downey will also be available on Wednesday 3rd July.

Please book your slot via the school website.

Many thanks.

National School Sports Week

The week beginning Monday 24th June will see lots of our pupils participating in sporting competitions, ranging from golf to tennis and rounders to hockey!

Please ensure that you have all of the details you need for these competitions and ask Mrs Downey if you are unsure - it is a very busy week and there have been lots of arrangements necessary!

Best of luck to all of our competitors... be the best you can be!
