Dear Parents/Carers,

It gives me great pleasure to write to you as the new Head of School of Whitley Village School and to welcome you to what I am sure will be a very busy and exciting year ahead.

I am joining Whitley as its new Head of School, having spent over ten years as part of the Senior Leadership team of a British Forces School in Paderborn, Germany. I am married with three daughters and we are fortunate to live reasonably locally in Hartford.

I was certain from my first impressions, during my interview visit, that Whitley was the perfect choice for me as Head of School. Since starting my post last week I have been tremendously impressed by the whole school, especially the children. Every time I step onto the playground I am welcomed by a sea of inquisitive happy faces, each desperate to learn and enormously proud of their school.

I feel it is really important to assure parents/carers that I have the very highest expectations of the staff and all the children. It is my intention to work with our Executive Headteacher Mrs Broom and all our wonderful staff, so that we can make our school the best it can possibly be for the children and maintain its rich history and ensure it has a confident future.

I very much look forward to meeting with you and getting to know you all.

Kind regards,
Russell David
