Rowan Learning Trust History Deep Dive

Yesterday the school had a 'Deep Dive' in history from Rowan Learning Trust curriculum consultant, Michael Gaskill. The children spoke passionately about history and impressed our visitor with their knowledge and the quality of their work. In the next few weeks we will be uploading lots of new material to our website and revamping our curriculum pages. We have been working tirelessly to develop this aspect of our work so that you are clearer about what we teach and our curriculum aims.

KS2 Year 6 SATs Dates - May 2023

Date	Test
Tuesday 9th May 2023	Grammar & Punctuation - 45 minutes Spelling - 20 minutes
Weds 10th May 2023	English Reading - 60 minutes
Thurs 11th May 2023	Mathematics Arithmetic (Paper 1) - 30 minutes Mathematics Reasoning (Paper 2) - 40 minutes
Friday 12th May 2023	Mathematics Reasoning (Paper 3) - 40 minutes

The children have been extremely well supported to reach their potential and they have become very familiar with the style of questions that they will answer. Please help them to have an early night on Monday so that they are relaxed and well rested for Tuesday.

We would like the Y6 children to arrive at 8.30am for a free breakfast on each of these 4 days. Miss Baines has discussed this with the children. This will ensure that no one is late and everyone is relaxed and comfortable. Please come into school via the reception entrance.

Extra Curricular Club News

Due to the rising costs faced by school, we will now have to make a small charge of £10 per extracurricular club, per TERM from September 2023. This will ensure that we can continue to offer a wide variety of clubs to as many children as possible.

Y4 Conway Residential 2023

Thank you for allowing us to take your child on residential to Conway. The children were fantastic ambassadors for the school and were an absolute pleasure to bring. They developed personal resilience and had the opportunity to develop their characters by trying new things and being away from home. We are so grateful to our friends at the Acorns who were so instrumental in planning this educational visit and allowing us to join them.
