School Meals Price Increase (September 2023)

Starting from the upcoming academic year, our caterer has informed us about an impending increase in school meal prices. This adjustment is primarily a response to escalating staffing expenses and the mounting costs of food supplies. As unfortunate as it may be, such price adjustments are sometimes necessary to ensure continued quality and sustainability in our school meals program. We understand the concern this may cause and will work closely with the catering company to minimise the impact on families while maintaining a nutritious and balanced menu. We appreciate your understanding and support during this challenging time.

Current charge £2.60 per day

Future Charge £2.75 per day

Whitley Village School Art Gallery

You are cordially invited to our Children's Art gallery exhibition on Wed 5th and Thurs 6th between 3.30 and 5.45. Join us in the hall to view their incredible creations. Don't miss the chance to purchase your child's artwork. We look forward to seeing you there!

Kids In Motorsports Day 2023

The recent Kids in Motor Sport event for Y5 & Y6 was a resounding success, offering an unforgettable day filled with excitement and exploration. The range of activities available was truly fantastic, providing an exceptional platform for collaboration between the world of education and UK motor sport. The event showcased an incredible variety of employment opportunities, from race side paramedics to TV journalism, enabling the children to gain a deeper appreciation for the diverse career paths within the industry. Witnessing these possibilities firsthand allowed the children to envision the potential outcomes of their education. A special thanks goes to David Addison, Cataclean Global and MPA for their instrumental roles in organising and orchestrating this remarkable event. Their dedication and support contributed immensely to the overall success and unforgettable experiences that the children had.

The Importance of Punctuality

Punctuality plays a crucial role in educational progress and consolidation opportunities. Timely attendance ensures maximum engagement in learning activities, avoids disruptions and allows for effective time management. By being punctual, pupils can make the most of educational opportunities, maintain consistent learning routines, and demonstrate reliability, fostering a positive attitude towards education and personal growth. Please ensure that you remain committed to being on time for the start of the school day. Many thanks.
