Have a wonderful Summer and Thank you for all of your gifts and kind messages. We really appreciate your help and support and we look forward to seeing you in September.

Reminder - Extra Curricular Club News and School Lunches

Due to the rising costs faced by school, we will now have to make a small charge of £10 per extra-curricular club, per TERM from September 2023. This will ensure that we can continue to offer a wide variety of clubs to as many children as possible.

September 2023— £2.75 per day

Farewell to Our Wonderful Year 6

As we bid you farewell, we couldn't be prouder of your remarkable achievements. Your resilience and determination shone through the challenges of Covid school closures, and you've emerged stronger than ever. Despite the obstacles, you've excelled, and your success fills us with immense joy and pride.

Now, it's time to embark on the next chapter of your lives, and we have no doubt that you'll conquer every opportunity with the same passion you've shown here. Stay true to yourselves, embrace new experiences, and never stop being the best you can be!

We eagerly await news of your future triumphs, for we know they will be extraordinary. Remember, you are always a part of our school family, and our support will be with you on your journey. Go forth and shine bright!

Changes For The Autumn Term

During the Autumn Term, we will cease using ParentPay and will fully utilise our School Hub Catering Portal for school lunch orders and payments. In summary, lunches can be ordered from home via School Hub and all payments will be made via School Hub Wallet. If a parent is eligible for a Free school meal (including Universal for Rec, Y1 & Y2), you will not have to do anything. Those who pay for a school meal will need to put credit on their wallet in order to order a meal. There will be a screen ticket machine in the dining area where the pupils will collect their ticket showing their chosen meal and hand to Catherine. Parent User Guides and details will be shared and on the website once we are set up and ready to move over to School Hub.

We will also move our communication from ParentPay to Arbor Communication. Again, once this is up and running (we will need to migrate and set up users etc) parents will be sent full details and a log in the register. We will keep you fully informed but wanted to let you know the plans in advance, which will make our processes more efficient and will be more parent / pupil-friendly.

Outdoor Provision Improvements

We are very grateful to our local farmers for giving up their time to help us locate our outdoor provision. Phil and Bob did an excellent job and seemed to enjoy the challenge of driving in such a confined space! Such community support shows what a wonderful village we are part of.

Class 1 Redevelopment News

At the recent Class 1 build progress meeting, Linton Construction expressed unwavering confidence in meeting the project's deadline. The redevelopment of classroom one is set to be further enhanced by the installation of new flooring throughout the school corridor, creating a more inviting environment. Additionally, classroom 4 will undergo significant improvements with better ventilation and new carpeting. We are immensely privileged and grateful that the Rowan Learning Trust has made substantial investments in our school, ensuring a brighter and more conducive learning atmosphere for all.
