

Please Help Whitley Village School Raise Donations, for **Free!**

Did you know that you can now support Whitley Village School by shopping online/click and collect?

Every time you shop online via [Easyfundraising](#) at one of thousands of leading retailers, a donation will be made to Friends of Whitley Village School (FoWS), and it won't cost you an extra penny. This includes clothing, groceries, heating oil / utilities, holidays, rail travel, entertainment, business supplies and much more.

This is a new fundraising initiative for FoWS to help Whitley Village School as of January 2018 and is open to families, parents, carers, grandparents, neighbours and friends, in fact anyone that wants to help. So please spread the word. We hope to expand this to the wider village community very soon.

This scheme is already successfully used by hundreds of schools, including Antrobus Village School, and other not for profit organisations around the UK every year. Almost £20m has been raised in total to date for a variety of good causes like our own. A small village school in the East Midlands has already raised an average of £2,000 a year, every year for the last six years.

It's really simple to get started, sign up for free and no need to change your existing shopping habits if you don't want to. The prices that you will pay will be **exactly the same**. The retailer pays the donation, not you.

All you need to do is...

Join and raise free donations every time you shop online and help us hit our fundraising target with easyfundraising!

1. Join
2. Shop
3. Raise

The support of our families and the local community is vital in order to benefit the school as much as possible during times that are particularly challenging financially for a small village school. All help and support is greatly appreciated by everyone involved, particularly the pupils at Whitley Village Primary School.

Thank you for your support

"We have raised over £8000 and coming from a school with only 150 students this is a tremendous amount of money. Easyfundraising, this year, became our largest contributor."
