24/01/2024	17	Siobhan Blunden	£25

**NSPCC**  
Speak out. Stay safe.  
programme

As you are aware, we are participating in the NSPCC's Speak out. Stay safe. Programme this term. This is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Child-line.

This child friendly programme is aligned with the curriculum and consists of age-appropriate virtual assemblies and supporting classroom-based activities which we have reviewed, alongside NSPCC volunteer-led face to face workshops for children aged 6-7 and 9-11. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy. If you would like to know more about the Speak out. Stay safe. programme visit [www.nspcc.org.uk/speakout](http://www.nspcc.org.uk/speakout).

## Children's Mental Health Week 2024

Place2Be's

**CHILDREN'S  
MENTAL HEALTH  
WEEK**

5-11  
FEB  
2024

No matter how old we are, anyone can experience a mental health crisis. Concerns about youth mental health are increasing exponentially.

Last year, Young Minds reported a **record high of urgent referrals and open referrals for under-18s**

in England, massively impacting children and young people's wellbeing.

Children's Mental Health Week 2024 will take place from 5-11 February 2024. This year's theme is 'My Voice Matters'. My Voice Matters is about empowering children and young people by providing them with the tools they need to express themselves. We will be exploring various themes related to this topic throughout the week.

## Healthy Eating Talk For Parents

At Whitley Village School, we recognise the importance a healthy diet plays in a child's wellbeing and their ability to learn effectively. On Thursday 1st Feb at 2.30pm (just before Celebration Assembly), we will be running a healthy eating talk to support parents. During the talk we will explore how the school, in partnership with parents and carers, can make a major contribution to improving children's health by increasing their knowledge and understanding of food and drink, and helping them to make healthy choices.

# Whitley Village School Extra Curriculum Spring Term
