E-Safety Theatre Performance

In the ever-evolving landscape of technology, children are increasingly immersed in the digital realm from a young age. With statistics from Ofcom revealing that children aged 5-15 spend an average of 2 hours 11 minutes online per day, it's evident that the digital world plays a significant role in their lives. However, alongside the benefits, there are considerable concerns regarding the impact of social media and online gaming on the emotional well-being of young individuals. According to the Children's Commissioner, exposure to these platforms can pose significant risks, particularly as children approach adolescence. Recognising the importance of equipping young people with the necessary knowledge and skills to navigate these challenges, we are delighted to have hosted the theatre production Snap Trap for Y5 and Y6. This engaging production tackles issues surrounding social media and online gaming, empowering youth to make informed decisions and navigate the digital landscape responsibly. Through initiatives like this, we aim to support and educate today's young people as they navigate the complexities of smart technology and digital platforms.

External Moderation of Standards in English and Maths

We are delighted to extend a warm welcome to our external writing moderator, Linda Neil. As a vital part of our commitment to maintaining academic excellence, our school undergoes external moderation in English and Maths each term. This process ensures that our assessment judgments are accurate and aligned with standards while providing invaluable feedback to tailor our teaching methods to the diverse needs of our learners. Working alongside professional teams like the Literacy Company who bring a wealth of experience and expertise, is always a rewarding experience. Together, we are dedicated to nurturing every child's potential and ensuring their success.

FoWs Easter Bounce

On Wednesday, March 27th, our students will embark on an exciting Easter Bounce sponsored event. They'll hop around the running track or bounce, embracing the chance to let off some steam. This event isn't just about fun; it's also an opportunity to raise vital funds for Friends of Whitley Village School (FoWs), ensuring continued access to resources like Athletics that enrich our children's learning experiences. Each child will receive a sponsorship form, and we kindly ask for your support in sponsoring your child. Every contribution directly supports our school's endeavours. Thank you for your unwavering support in making our school community thrive

Ask me a question about what I have learnt this week!

Reception
Ask me about my sea creature model
Year 1
Tell me about O'clock . Tell the time
Year 2
Tell me about your healthy wrap
Year 3
Tell me about your healthy wrap
Year 4 (Mrs D)
Ask me about London!
Year 4 (Miss B)
Ask me about London!
Year 5
What is our family fire-evacuation plan?
Year 6
What is our family fire-evacuation plan?
