London Residential Success

We would like to extend our heartfelt gratitude to all the Y4 parents for their support during our inaugural educational visit to London. Your encouragement and trust made this trip possible, and we are immensely grateful. A special thank you goes to Mrs. Broom for her exceptional organisation and dedication, sacrificing her own holiday time to meticulously plan and scout the entire visit. Thanks to her efforts, we all had a fantastic experience and gained a deeper understanding of our capital city's cultural richness and diversity. Lastly, we want to express our appreciation to our amazing children, who represented our school and all of you with grace and enthusiasm throughout the trip. Thank you all for making this journey unforgettable. This will now be an annual visit for Year 4.

Do you qualify for free school meals?

In Cheshire West, eligibility for free school meals is determined based on the family's financial circumstances. Families with lower incomes, receiving certain benefits like Universal Credit, Income Support, or Income-based Jobseeker's Allowance, may qualify. This program benefits both the family and the school budget. For families, it alleviates the financial burden of providing daily school meals, ensuring that children receive proper nutrition at no cost to you. This, in turn, can positively impact students' academic performance and overall well-being. Additionally, schools benefit as they receive additional funding from the government for each eligible student, which helps improve resources and educational opportunities, ultimately enhancing the quality of education provided. Thus, free school meals in Cheshire West aim to create a win-win situation for both families and schools. If you haven't checked before, or circumstances have changed, please have another go, just in case!

FoWs Easter Bounce

**You Raised
£694!**

We want to extend a huge thank you to everyone who supported the FoWs Easter Bounce event. It was wonderful to see the children having so much fun bouncing around our running track, all while raising funds for a great cause. Your participation and enthusiasm made the event a huge success. We also want to express our deep appreciation for all the hard work that the FoWs do for our school. Without their dedication and support, we wouldn't be able to enrich our curriculum to the extent that we do. Thank you all for your continued support and for making events like this possible.

Weaverham Music Festival 2024

Since its inception, our school has wholeheartedly embraced the National Music Plan from the Department for Education. We take great pride in not just meeting but exceeding the recommendations for participating in public performances. This achievement wouldn't be possible without the dedication of our exceptional teaching staff. We are incredibly fortunate to have such passionate educators who willingly give their time to ensure that our children have numerous opportunities to experience the thrill of live performances in front of an audience. We recognise that these opportunities enable children to push their own boundaries and feel a profound sense of pride. The children did an outstanding job last night, and it was truly a pleasure to witness so many of them embracing this opportunity. It was also heartwarming to see so many of our previous pupils, boys and girls alike, participating in the Weaverham High School choir, continuing with their journeys with the performing arts since leaving us. We are immensely grateful to Weaverham High School for organising this exciting night of music and for their continued support in enriching our students' musical education.
