## Whitley Welcomes Bermudian Minister of Education!

We were thrilled to host The Rt Hon Diallo Rabain, Bermuda's Minister of Education, during his visit to the UK. Minister Rabain is currently leading a major education reform initiative in Bermuda, and he was eager to learn from schools like Whitley.

Given Bermuda's similar school sizes to Whitley, the Minister's visit offered a valuable opportunity to showcase our vibrant school. Class 1 pupils even had the exciting chance to meet the Minister and a representative from the Bermudian Education Reform unit! The children's curiosity shone as they asked insightful questions about life in Bermuda and the Minister's journey to the UK.
