Bookings can now be made via School Spider

Mrs Edwards-Hodgson, Miss Lewis and Miss Jackson are looking forward to seeing you there!

### Year 1—5 Teacher Meetings

Calling all Year 1-5 parents and carers! Don't forget to book your appointment for our Parent and Carer's Evening on either the 19th or 20th of June. It's a great opportunity to discuss your child's progress with their teacher. Appointments can be made through School Spider. Reception and Year 6 parents, a reminder that you had your parent-teacher meetings last term and will be receiving your child's end of year report in July. However, you're welcome to attend the "book look" during Parents' Evening - no appointment need

### School Meals Prices for September 2024

We understand that keeping school meal costs low is a priority for families. For the past 2 years, we've strived to minimise price increases, covering increases from our caterers in-house. However, as you've likely noticed in your grocery shopping, overall food prices have risen significantly. To maintain our high-quality meals that meet government nutritional guidelines, our caterer must adjust their prices again. Effective in September, the price of a school meal will increase to £3.00. We appreciate your understanding.

## Rose Queen 2024

Meet in the School Playground at 12.45

Don't miss the annual Rose Queen festivities this year! Our school will be performing a special set of three songs in honour of the 80th anniversary of D-Day. This is a fantastic opportunity for the children to showcase their talents, build character, and overcome nerves in a live performance setting. It's a wonderful community event, and we're thrilled to be a part of it once again.

Just a heads-up for arrival: there's a cycling race happening through the village and the local area. Organisers have said it will be finished by 12:30 PM, so it shouldn't interfere with the procession starting at school. You might encounter some traffic issues if you arrive earlier than 12:30pm, however. New parents, please note that there is parking available in the field opposite school – it's the closest and most convenient option and will ensure the parade is not delayed due to street parking (which is strongly discouraged!) We look forward to seeing you there to celebrate the Rose Queen event and enjoy the festivities our wonderful village community offers each year.

# HOLIDAY CLUB 2024

**Spaces are filling up so book today!**
