Year 1—5 Teacher Meetings

Calling all Year 1-5 parents and carers! Don't forget to book your appointment for our Parent and Carer's Evening on either the 19th or 20th of June. It's a great opportunity to discuss your child's progress with their teacher. Appointments can be made through School Spider. Reception and Year 6 parents, a reminder that you had your parent-teacher meetings last term and will be receiving your child's end of year report in July. However, you're welcome to attend the "book look" during Parents' Evening - no appointment needed.

05/06/2024	28	Leanne Wilson	£25
08/06/2024	59	Mike Ruane	£25
12/06/2024	5	ROLLOVER	

Year 4 Multiplication Check

Year 4 children have completed their government multiplication check this week, tackling 25 random questions on their times tables. To ensure a stress-free approach, we offered a fun lunchtime club throughout the year, allowing them to gradually build their multiplication skills. This was further supported by parents who championed our Homework policy and utilised TT Rockstars at home. The children's progress is a testament to this collaborative effort. We firmly believe that a strong foundation in times tables, essential for lightening mental workload, is key to unlocking future mathematical success. This importance is echoed by secondary school colleagues who consistently emphasise the need for rapid multiplication recall.

Year 2 and Year 3 Parents

Does your Year 2 or 3 child dream of acing their multiplication check? Give them a head start with TT Rockstars! This fun online platform makes multiplication practice engaging. Integrate it into your weekly routine and watch their confidence soar.

Mrs. Downey will soon be sending home "heat maps" to pinpoint areas for further practice, ensuring a smooth and successful multiplication check when they are in Year 4.

Phonics Screening Check

The children in Year 1 have now completed their phonics screening check, which all Year 1 pupils nationally undertook this week. Whilst we await the official pass mark before sharing results, we'd like to express our sincere gratitude to both our dedicated staff and supportive parents. Regular home reading plays a vital role in building strong phonics skills, and your combined efforts are crucial in helping each child reach their full potential.

Thank you for bringing your child to the Whitley Rose Queen event! The children's performances in front of the large crowd were truly amazing, and I'm sure the experience of walking alongside the live brass band and parading through the village will be a treasured memory for many. The costumes were delightful, and the overall atmosphere brought back a nostalgic feeling for many local residents. The day served as a wonderful tribute to the incredible efforts made 80 years ago to liberate Europe .
