A huge thank you to the fantastic organisers of the FoW's Crafting Event! The children had a thoroughly engaging time exploring the wide variety of activities on offer. The Japanese writing section, in particular, sparked their curiosity and fascination. We are incredibly grateful to the FoWs for their tireless dedication – the countless hours they volunteer to organise events and raise valuable funds for our school are truly appreciated. Their hard work has resulted in another year of an incredibly diverse and enriching experiences for the children.

Relationships, Sex & Health Education (RSHE)

Relationships, Sex and Health Education (RSHE) is a subject taught in both primary and secondary schools across the UK. Recent government guidance emphasises transparency with parents, highlighting their legal right to be informed about the RSHE curriculum. Our teaching materials are fully aligned with these guidelines and have always been available for review at parents' evenings over the past few meetings. We firmly believe that parents have the right to be aware of what their children are learning, and we wholeheartedly welcome this focus on open communication. Information can also be found on our website or by looking up 'Christopher Winter Project' online.

Pic Nic Lunch

The children relished the opportunity for a picnic lunch on our beautiful school field. Catherine, our wonderful cook, deserves a big thank you for preparing such a delicious spread. It was a delightful treat to see the children basking under the shade of the trees, enjoying their lunch and each other's company

Sports Day 2024

Sports day was a vibrant celebration of athleticism and school spirit! It offered a fun mix of traditional events alongside some exciting new ones, ensuring there was something for everyone to enjoy. We extend our heartfelt gratitude to the entire school community for their enthusiastic participation and support. A special thanks goes to Mrs. Downey for her tireless efforts in organising and preparing for this fantastic event. We understand that sports day can evoke different emotions in our pupils but we're incredibly proud of everyone who participated and embraced this opportunity to build resilience and character through the world of sportsmanship.
