New Class Names For 2024-2025

Each year at Whitley, we change our class names, giving pupils a chance to explore a new theme through research. This year, on July 4th, the children participated in a democratic vote – a valuable lesson in understanding that sometimes in a democracy, your preferred choice doesn't win. The results are in: Class 1 is Beach Class, Class 2 will be Mountain Class and Class 3 will be Rainforest Class.

We were thrilled to see our pupils shine at the recent guitar recital! Their confidence and growing musical ability were on full display. The older children especially impressed with their flawless chord changes, even under the pressure of performing for their peers and invited guests. If your child is interested in learning to play the guitar, our partners at Create Music offer weekly lessons for children in Year 2 and above. Lessons are currently during school in the afternoon.
