### Water Cooler Update

Unfortunately, the children haven't had access to their beloved chilled water for the past few weeks due to a broken water chiller. While they've been able to quench their thirst at classroom taps, it certainly hasn't been the same. Thanks to the generosity of FoWs, a brand new water chiller is on its way! We expect delivery over the summer, with installation to follow shortly after. This will ensure the children have refreshing cold water readily available once the new school year kicks off.

## Year 6 Min-Y-Don Residential

The recent residential trip to the Min-Y-Don outdoor adventure centre proved to be an exceptional week for our Year 6 children. From rock climbing and abseiling to mountain biking, the Min-Y-Don setting provided a rich tapestry of learning experiences. It is important to acknowledge that such enriching trips are only possible due to the unwavering dedication of our Whitley staff. Their willingness to forgo personal time and family commitments to accompany the children on these adventures is truly commendable. In a school of our modest size, such staff commitment allows us to offer the widest possible range of opportunities for our children, fostering a love of the outdoors and a spirit of camaraderie. The overwhelmingly positive feedback from the children regarding the Min-Y-Don trip is a testament to the success of the experience.

A huge congratulations on attending the White Rose Festival! We hope you all had a wonderful time showcasing your skills and enjoying the festivities. A special thank you goes out to all the supportive parents who helped make this event possible for our dancers. Your dedication is truly appreciated. Finally, a big thank you to Miss Keegan for running our fantastic weekly Scottish Dancing Club each Friday.

# End of Year Production

Year 6 brought the curtain down on a fantastic term with a truly wonderful end-of-term production, ably supported by the talented Year 4 and 5 students. This performance provided a unique opportunity for the children to develop their confidence and resilience as they stepped onto the stage and captivated a live audience. We're incredibly grateful to Miss Baines and Miss Bostock for their tireless efforts and dedication in bringing this production to life, along with a big thank you to the Year 6, 5 and 4 students for their hard work and commitment to making it such a memorable event.
