Career Pathway Talks

We would like to extend our sincere thanks to Mrs Glenn for delivering such an interesting and informative presentation on careers in agriculture. It was greatly appreciated by both the children and staff. Following on from this, we are seeking other professionals who would be willing to speak to the children about their own careers and answer some of their questions. If you would be interested in contributing to this initiative and sharing your experiences, please get in touch with Mr David at your earliest convenience. Your support would be highly valued.

Start of the School Day

Dear Parents and Carers,

It has come to my attention that a few children are being dropped off at 8:35, and some parents or carers are leaving before the school bell rings. May I remind you that you are responsible for your children until the bell rings at 8:45.

Please ensure that you remain in the playground to supervise your child until the start of school. If you have a tight schedule, you are more than welcome to book your child into the breakfast club. Alternatively, if you need to 'drop and run', please only do this at 8:44 / 8:45am as the bell is ringing and the children are lining up.

Thank you for your cooperation.

Mrs Broom

Ask me a question about what I have learnt this week!

Think Pharmacy First

To all parents and carers in Cheshire and Merseyside

Did you know... as well as offering advice and over the counter treatments for lots of childhood illnesses, pharmacies can now offer clinical appointments and prescription medications (if needed) for these four common conditions in children?

- Ear ache (children aged 1-17)
- Sore throat (age 5 and over)
- Infected insect bites (age 1 and over)
- Impetigo (age 1 and over)

Think pharmacy first

This **Pharmacy First** service is available at most community pharmacies in Cheshire and Merseyside.

Fast advice and treatment

When your child is feeling unwell and off school with one these conditions, you want the right help as quickly as possible.

Pharmacies can often provide a **same day consultation with a trained clinical professional**, giving you access to advice and medication all in one place, without the need for a GP appointment first.

This means they could be on the road to recovery and back at school much sooner.

So remember:

If your child has an ear ache, sore throat, symptoms of impetigo or a suspected infected bite, **think Pharmacy First!**

Friends of Whitley Lottery

These are numbers that we currently have available to purchase!

The lottery lets us raise much-needed funds for school to help pay for Mathletics, coaches for trips, furniture etc.

It costs just £8 a month for 2 draws per week. If your number pops up, you win £25. If there was no winner the week before, you win £50!

If you would like a number and to help support school, please contact Hayley Woodward on 07740043151 or littlehayjay@gmail.com.

Ofsted Report Update

The school has now received the draft Ofsted report, allowing us to review it for any factual inaccuracies. After carefully checking the report, it has been returned to Ofsted for their final review. Following this stage, Ofsted will make any necessary adjustments before the report is finalised. Once the final version is approved, we will be sharing it with our community and stakeholders, 5 days prior to Ofsted publishing it on their website for all to access! We are really looking forward to being able to share it with you very soon... watch this space!
