Our Vision for 2021/22:

This academic year we will continue to work closely with Active Cheshire to ensure each child exceeds their daily physical activity recommendation of 30 minutes each day as part of our 'Active Kids Pledge'. This will be achieved through a whole school initiative of Smile for a Mile, active lessons and 20 minutes of active break time, plus additional time across the week from 2 hours of PE and after/before school club participation. We now have our smile for a mile track with provides an all-weather surface for this activity. Through our partnership with Active Cheshire we believe we can ensure each child at Whitley Village will have the best opportunity to develop good habits of regular physical activity. We also believe that this will have a positive impact on the happiness, confidence and well-being of all of our children.

We hope to engage children post COVID closures in physical activities and will respond to their individual needs and monitor pupil well being closely.

We also hope to build on the success of achieving Gold School Games mark and encouraging more of our pupils to become effective leaders in many areas of sport and P.E.

Action Plan:
